

Forged in fire, imbued with elegance, this singular line of jewelry will complement any wardrobe, satisfy any taste. The Alicia Marilyn collection has been crafted from the most precious materials on earth, transforming nature's elements into stunning accessories meant to celebrate life. Each piece is individually carved in Alicia's Manhattan studio, combining metal and artistry to create free-flowing designs. Her custom pieces have graced the necks of numerous actresses, including Laura Dern, Naomi Watts, Rachael Ray, Alison Bailes and Samantha Brown. With this deal, choose from the following one-of-a-kind necklaces, all in 14k gold vermeil (or sterling silver): Twisted Horseshoe, Twisted Circle or Circle Bubble. Alicia's designs are contemporary but still capture the timeless beauty, mystery and grace of all that the universe has to offer. So don't miss out on this golden opportunity - order yours today!
